The Tape Loop

Make a small tape loop underneath the battery to stick it down to the tape.

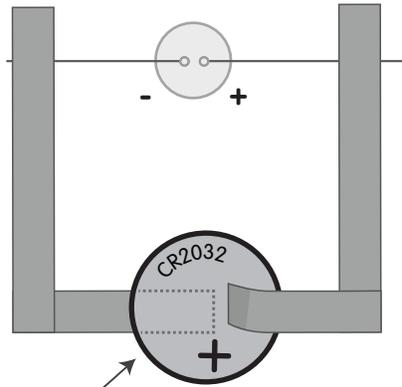

The diagram shows a close-up of a piece of tape with a small loop formed underneath it. The loop is intended to be used to secure the battery to the main tape strip.

The Tape Loop

The diagram shows a horizontal strip of tape. A small loop of tape is formed in the center, with an arrow pointing to it from the label "Tape Loop". The word "Tape" is written above and below the strip.

Make a small tape loop underneath the battery to stick it down to the tape.
